

## Five Step Outline

1. The Pay as You Throw program will cost people more based on the size of their trash can.
2. The purpose of the program is to motivate citizens of Kauai to recycle more.
3. Why people opposed the bill.
4. Why people approved the bill.
5. What effects the Pay as You Throw program has and will have.

## TIAS

Topic: Pay as You Throw (PAYT)

Issue: The monthly price of waste removal will go up because the county is trying to motivate people to recycle more.

Angle: Average citizen curious about this new program.

Story: We will start the story of with someone explaining what the PAYT program is. The person to say this will probably a county engineer or County Council member. We will then have someone explain what the purpose of the bill was. This will be accomplished by talking to the Solid Waste Program Development Coordinator and a County Council Member. We will then talk to County Council Members and people in the community to cover points three and four. We will then talk to a county engineer and the Solid Waste Program Development Coordinator to learn about the effects that this program has and will have
